

Problems.

The ones most people don't have the stomach for.

The ones nobody talks about at cocktail parties.

We go looking for them.

No matter the obstacles.

No matter the odds.

We surround our community's most critical problems.

And we fight.

United Way of Laramie County fights for the health, education, and financial stability of every person in our community.

Because change doesn't happen alone.

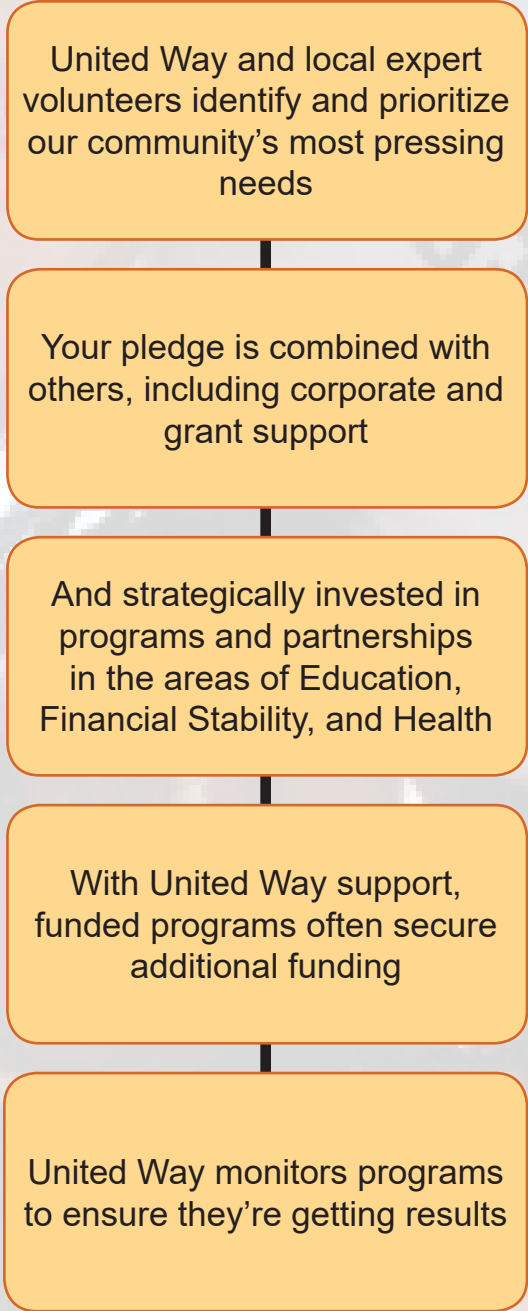

Hope isn't a one-man band.

And there's no such thing as self-taught.

Or self-made.

We have one life.

To live better, we must LIVE UNITED.
